

# Stormwater Project Mapping

GIS Presentation for The SEMSWA  
Board Meeting  
May 2012

## About Stormwater Projects

- CIP Projects
- Development Cases
- Master Plan Projects
- Maintenance Projects
  - MDP, FHAD, OSP
- Floodplain Projects
  - CLOMR, LOMR, etc...

## Benefits

- Tracking SEMSWA activities and status
- Knowing what's going on where, when, and by whom
- Inter-agency Coordination
- Creating reports and visuals, *easily*.

## Current Efforts

- Future Projects
  - Master Plan projects – Create work orders associated with GIS features?
  - 5 yr CIP
  - Future Maintenance
- Part of Asset Management effort

# Project Tour
